SAVANNA

Luxury Tents & Habitats

The Infinity Collection

The Infinity Collection represents the pinnacle of Savanna Luxury Tents & Habitats our most refined expression of wilderness architecture, crafted for destinations that demand nothing less than extraordinary.

Created for visionary developers, conservation-minded owners, and luxury operators, this collection brings together sculptural design, advanced engineering, and an unwavering commitment to place.

Each habitat is conceived as a seamless extension of its environment: elevated, light-touch, and meticulously detailed to deliver a 6-star guest experience in even the most remote landscapes.

With the Infinity Collection, we introduce a new standard of tented luxury—where canvas becomes architecture, where nature becomes the central design element, and where every line, material, and gesture is shaped by the pursuit of timeless elegance.

This is more than a premium offering. It is a promise: to elevate your property, to inspire your guests, and to redefine what is possible in luxury wilderness hospitality.

ALBIZIA LODGE

Albizia Tented Lodge rises gracefully from the savanna, blending luxury with wilderness.

Its tented peaks and rolled arches echo the elegance of safari camps, offering guests panoramic views of golden grasses and acacia trees.

Here, refined comfort meets untamed beauty, creating an unforgettable retreat where adventure and serenity coexist beneath vast African skies.

ARECA LODGE

Areca Lodge curves elegantly toward the ocean, its sweeping white roof and glass walls framing endless horizons.

A sunken fire pit glows beside the infinity pool, where water meets sky in tranquil symmetry.

This sanctuary celebrates modern coastal luxury—fluid, luminous, and intimately connected to the rhythm of the sea.

BUREKA LODGE

Bureka Lodge unfolds like a sculpted canopy in the wild, its arched tensile roof and glass façade opening to sweeping savanna views.

Elevated decks drift above tall grasses, where zebras wander below.

This sanctuary blends contemporary elegance with raw nature, offering a serene, immersive retreat shaped by light, landscape, and quiet luxury.

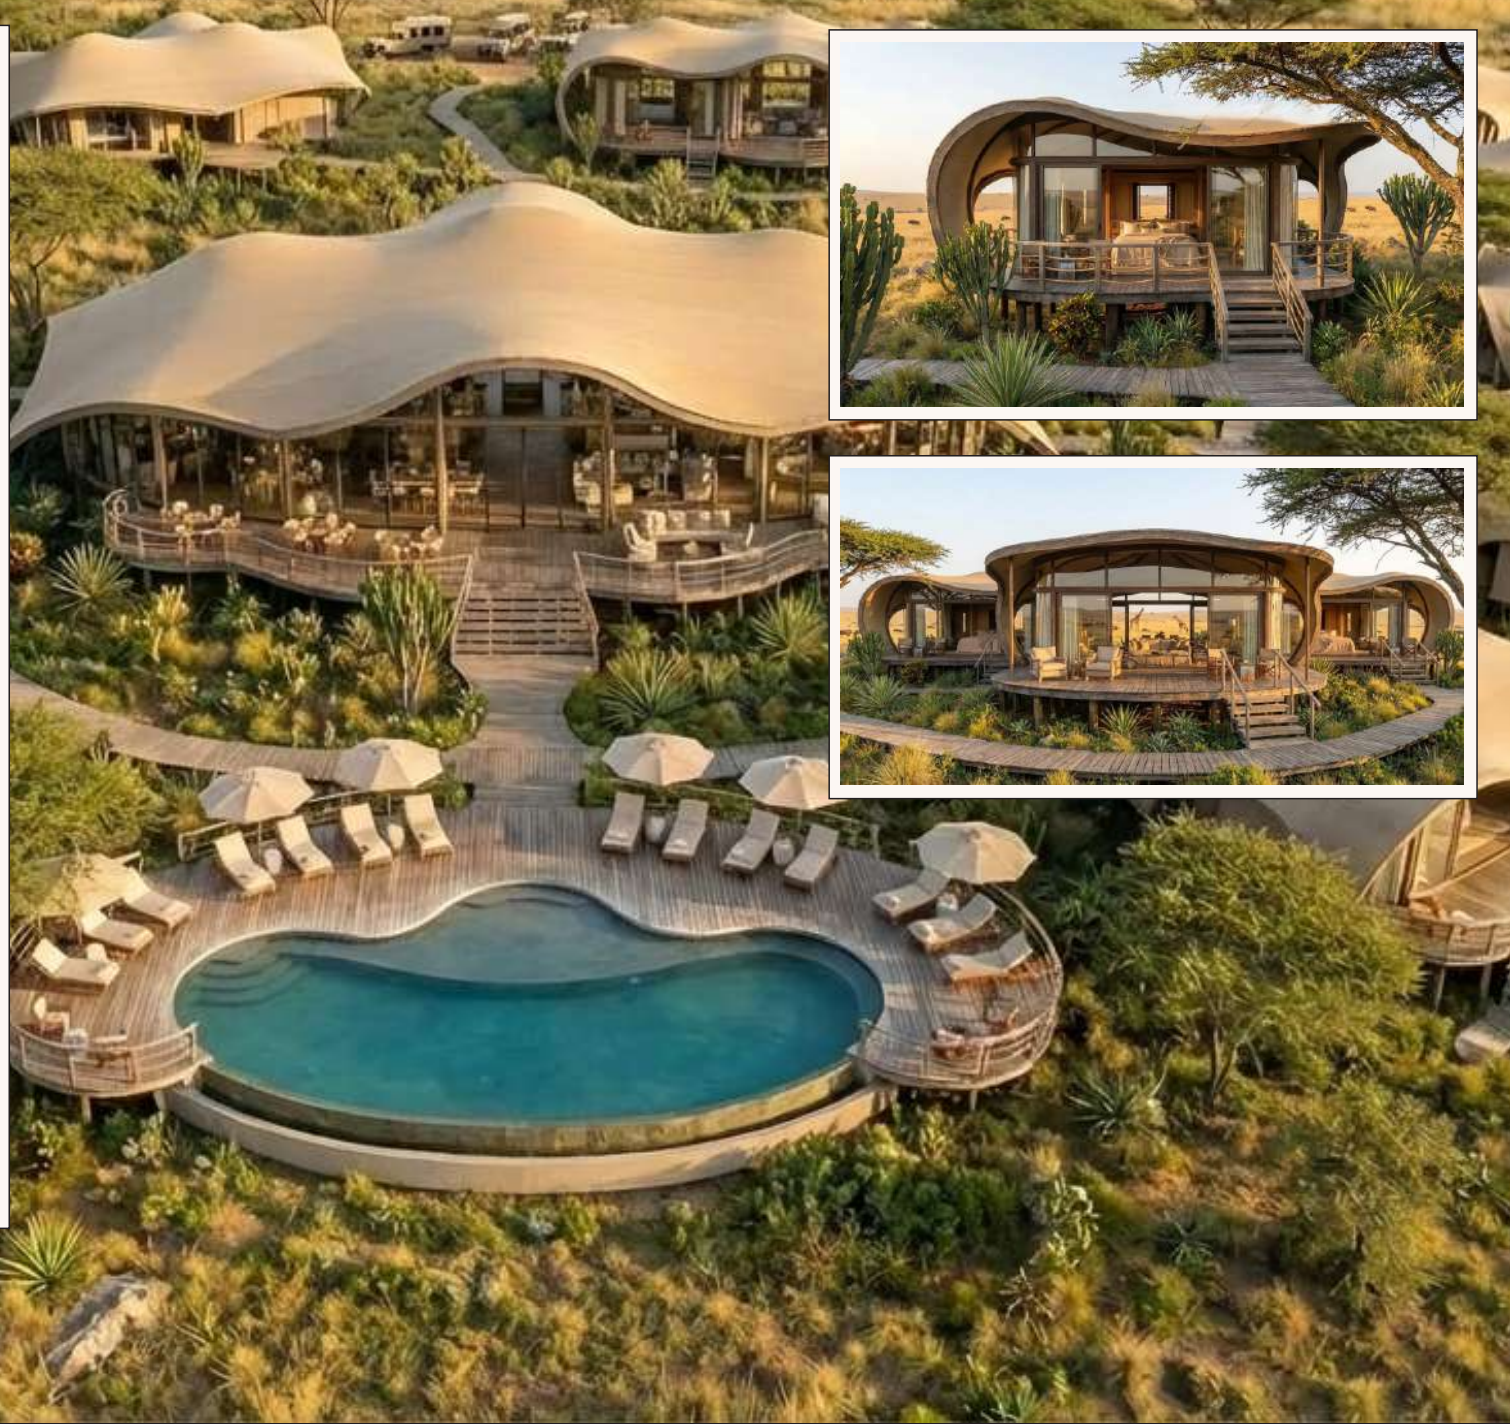

CYCAD LODGE

Cycad Lodge rises from the savanna like a sculpted sanctuary, its curved organic roof and sweeping glass façade opening directly to endless plains.

Elevated timber decks lead into a serene, light-filled suite where wilderness meets refined comfort.

Here, modern design and untamed landscape merge into a tranquil, immersive retreat.

JACARANDA LODGE

Jacaranda Lodge flows with soft, organic curves, its elevated form wrapped in sweeping glass that opens to vast savanna horizons.

Lush sculpted gardens frame the stilted structure, leading to a tranquil pool terrace.

Inside, light pours into a serene retreat where contemporary elegance meets the quiet rhythm of the wilderness.

JUNIPER LODGE

Juniper Lodge rests above a mist-veiled river, its curved tensile roof echoing the rhythm of the surrounding hills.

Glass walls open to tranquil views of dawn over water, while timber walkways connect secluded suites.

Here, nature's serenity and refined design merge into a sanctuary of quiet elevated elegance.

KHAYA LODGE

Khaya Lodge unfolds beside the ocean as a sculpted haven of light and air.

Its sweeping white tensile roof floats above glass-walled suites, opening to a circular infinity pool and sunken fire lounge.

Here, modern coastal architecture meets tropical serenity, creating a sanctuary of effortless luxury and calm.

KUNI LODGE

Kuni Lodge rises from the forest canopy like a sculpted sanctuary, its flowing organic roof mirroring the contours of the land.

A private deck with a serene plunge pool opens to endless green, while soft, curved interiors blur the boundary between shelter and wilderness.

A tranquil retreat shaped entirely by nature's rhythm.

MARKHARMIA LODGE

Markhamia Lodge rises above the misted rainforest on slender stilts, its white canopies glowing softly through the trees.

Warm light spills from glass-walled suites as gorillas move quietly below.

Suspended in the canopy, this sanctuary blends elevated luxury with the raw, breathing presence of the wild.

MOWANA LEPALA LODGE

Mowana Lepala Lodge curves gracefully along the river's edge, its tented suites opening to still water and wandering wildlife.

Private decks with plunge pools and dining terraces float above the landscape, offering uninterrupted views.

Here, refined safari luxury meets the quiet pulse of the savanna, creating a sanctuary of calm and connection.

MULANJE LODGE

Mulanje Lodge gathers the savanna around its sweeping, multi-peaked canopy, where open-air lounges glow with firelight beside the river.

Timber beams, sculpted canvas, and panoramic dining terraces create a warm, communal heart.

Here, wilderness, comfort, and architectural grace meet in a sanctuary shaped for connection and calm.

PODOCARPUS LODGE

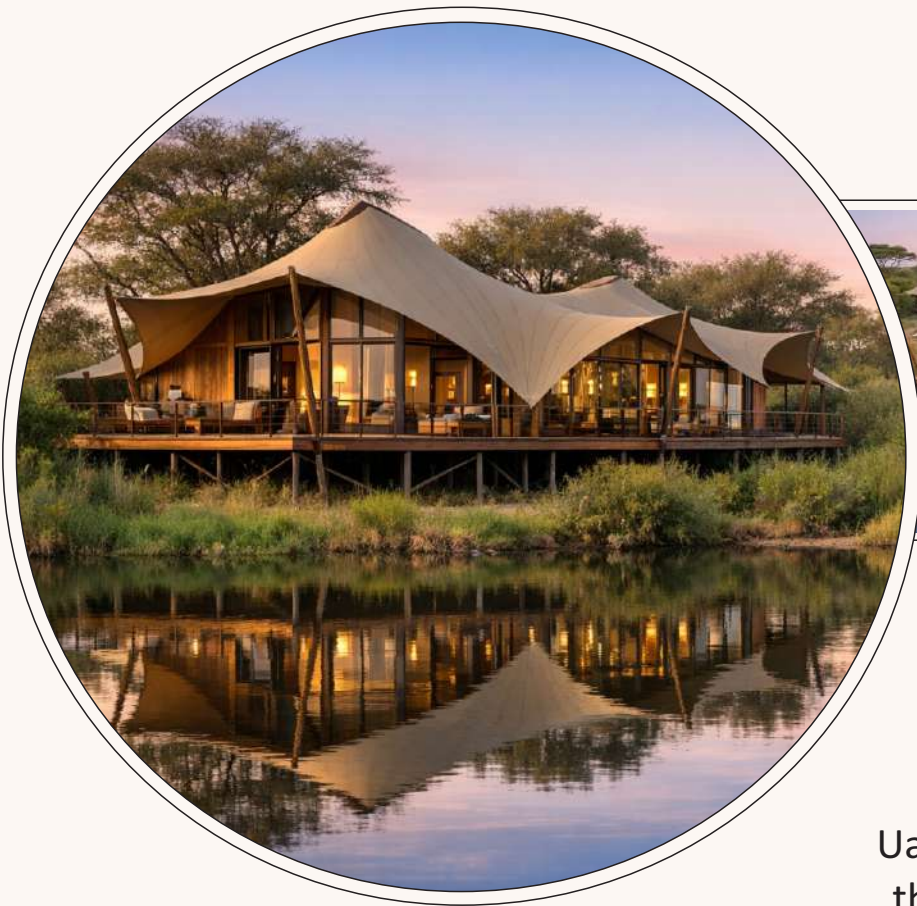

Podocarpus Lodge rises lightly above the forest floor, its smooth, sculpted roof echoing the organic curves of the surrounding canopy.

Sunlight filters through towering trees onto expansive decks and glass-lined interiors.

Suspended in lush greenery, this retreat offers serene immersion in nature with refined, contemporary elegance woven into every contour.

UAPACA LODGE

Uapaca Lodge rises gently above the forest, its sculpted roofline echoing the soft curves of the canopy.

Sunlit decks extend into the trees, while expansive glass walls frame uninterrupted green.

Suspended in this tranquil wilderness, the lodge offers a refined, contemporary retreat shaped entirely by nature's quiet, grounding presence.

WALNUT LODGE

Walnut Lodge unfolds beneath a sweeping curved canopy, its sculpted roofline resting lightly on timber and stone.

Open-air lounges flow into the savanna, framed by warm textures and wide views.

Here, contemporary safari elegance meets the quiet rhythm of nature, creating a sanctuary shaped for stillness, warmth, and connection.
